In the G.O.cited, the Government sanctioned the post of an additional typist for this office for a period of six months from the date of appointment or till the bifurcation of the Division is sanctioned whichever is earlier. Accordingly I placed an indent

Pto

on the controller of Stationery and Printing, Madras for the supply of a brief size typewriter for this office. I also applied to the Public Service Commission for the allotment of a Typist candidate. The Commission has alloted a candidate who has joine duty on 7-6-1954 forenoon; but the Controller has informed me now that specific orders of Government are necessary for the initial supply of a Typewriter.

2. There is onl-y one Typewriter for this Office and the permanent typist is working on it. A second typewriter is necessary for the temporary typist now sanctioned. In view of the large volume of typing work that has to be attended to in this office I have temporarily spared my private typewriter for being used in the office till the Controller of Stationary and Printing allots one.

3. I, therefore, request that the Government may kindly be addressed to sanction the supply of another brief size Typewriter for this office.
